SPECIAL AWARDS

OMER AWARD

OMER Award is named for the Odyssey of the Mind raccoon mascot, OMER, in recognition of individuals or teams who demonstrate outstanding sportsmanship, exemplary behavior or exceptional talent.

Recipients of this award may be coaches, team members, parents, officials or anyone else that tournament officials or directors feel exhibit these traits. This award is not intended to reward creativity. Anyone may inform a tournament official of a possible OMER Award candidate. That official will then determine if that person should be nominated. All nominees are reviewed by panel that determines the final recipients.

RANATRA FUSCA CREATIVITY AWARD

The Ranatra Fusca Creativity Award represents the essence of the Odyssey of the Mind. It is presented to teams or individuals who exhibit exceptional creativity, either through some aspect of their problem solution, or an extraordinary idea beyond the problem solution.

A successful problem solution is not a criteria for winning the award; rather, the award is a way to acknowledge and encourage creative thinking and risk-taking.

Teams that earn a Ranatra Fusca Creativity Award at the state/province/country level of competition are eligible to advance to world finals.

If an individual is awarded a Ranatra Fusca, the entire team advances.

WELCOME

to the 2023 Odyssey of the Mind
State Tournament

We hope you have had a great Odyssey of the Mind experience
so far this year.

Enjoy the competition and please support all teams. All teams
have worked very hard
on their solutions!

We appreciate OSU/OKC for hosting the 2023 Super
Regional Tournament. Please be respectful of the
building and **pick up after yourself.**

During the excitement of the competition, don't forget Outside
Assistance is not allowed. We want you to keep your
hard-earned points! This means **only team members** may
help with make-up, hair,
props or repairs. Others may help carry items before and after
they compete.

**Good luck to all the teams but more importantly, HAVE
FUN!**

A great big thank you goes out to Oklahoma State University / Oklahoma City! We are so appreciative of them accepting us with open arms and allowing us to have our tournament at this beautiful campus. We could not have had such an amazing time without their help. Thank you from every OMER!

Another thank you goes out to Tammy Briscoe for allowing us the use of her weights for our Problem 4. We could not have done this without you!
